

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 501ST COMBAT SUPPORT WING (USAFE)

September 15, 2011

Hello from England,

The Airman and Family Readiness Center (A&FRC) would like to thank you on behalf of the 501st Combat Support Wing for the wonderful support you have provided to our community through your coupon packages. It is evident that you and your volunteers have put many long hours into clipping, sorting, and shipping coupons for our service members and their families to save while shopping at the commissary. This service you have provided has been greatly appreciated. The coupons we receive from you are not only distributed to RAF Alconbury, but to other 501st CSW installations throughout the United Kingdom.

When the A&FRC receives your coupons, our small staff separates them into small sealable sandwich bags and distributes them throughout our installation. Due to the fact that we have such a small installation and staff, we are not able to keep up with the quantity of coupons that we receive. So, it is with this letter that we would like to request that you and/or your organization **only send coupons once a quarter.**

We would love to keep in touch with you via our email at a&frc@alconbury.af.mil. Please insure you pass on our gratitude and appreciation to all the volunteers who have and who will continue to contribute to coupons to our community.

Sincerely,

RAF Alconbury, Airman and Family Readiness Center
